Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:
- Design
- Privacy Light and Noise

Comments: The proposed dwelling would have a new bedroom window overlooking my entire garden. The current bedroom window is smaller and mostly blocked by planting and my greenhouse so there is quite a lot of privacy in my garden. This new room would lead to a significant reduction in privacy at my property. If it must go ahead it should have obscured glass.
