Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Council objects to this application for the following reasons The increased use of existing access (requiring vehicles to reverse in or out of the driveway) would add hazards to existing highway users (this could be used with slight change for a new access on to a main road) In the interests of road/pedestrian safety, add to the hazards of highway users Need to preserve site lines for access, (inadequate visibility at access)
