Dear Sir

I am the leaseholder of the flat at 128 Brighton Rd and the joint freeholder, with Steve Lawless and Christine Connolly, of 128 and 128A Brighton Rd. I am familiar with the planning application to extend and improve 128A and support the application. I am aware that the application includes a proposal to build over the light-well to the west side of the rear of the property. That light-well is boarded up to the outside and internally is a store room. I have no objection to the covering of the light-well as it is not serving any function in terms of bringing light into the property.

Yours Sincerely
