Dear Mr Johnson,

Chalex Works, Manor Hall Road, Southwick: Proposed revisions to eastern block

I refer to your letter dated 13 March 2009 and your revised plan 29740/1.

Bearing in mind that the units could be subdivided internally without requiring planning permission and that the external revisions are of a minor nature, I confirm that the revised plan will be treated as a minor amendment to the planning permission ADC/0096/06.

This is subject to the car parking spaces and turning space being completed as required by conditions 04 and 05 of the above planning permission.

I presume that the cladding will be Goosewing Grey (with Sargasso blue trim) as approved under condition 03 on 14 February 2007.

Yours sincerely,

Keith Morgan
