Dear Sir/Madam,

Proposal: Demolition of existing dwelling and proposed two-storey detached 2-bedroom dwelling.
Site: AWDM/1289/19: - 46 Victoria Road, Southwick, Brighton, West Sussex, BN42 4DH.

Thank you for your letter dated 18/02/2020.

Southern Water requires a formal application for a connection to the public foul sewer to be made by the applicant or developer. We request that should this application receive planning approval, the following informative is attached to the consent:

A formal application for connection to the public sewerage system is required in order to service this development. Please read our New Connections Services Charging Arrangements documents which has now been published and is available to read on our website via the following link southernwater.co.uk/infrastructure-charges.

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

Southern Water Services Ltd, Registered Office: Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX Registered in England No. 2366670
