Dear Planning Team,

RE Planning Consultation Response Requests: AWDM/O804/26 and AWDM//26

LOCATION: JD Sports Montague Street Worthing

Thank you for requesting the Society's comments in respect of the above Planning Applications which relate to the JD Sports store.

During my recent meeting with our Heritage Team we discussed the proposal . However could not fully assess the plans for the following reasons:

*There is no visual image to show how the roller shutter door would look when closed

*Signage: we appreciate the technical drawings for the projecting signage but without an image of them in situ and the impact on the conservation area.

We would be grateful if the applicant could be requested to submit some more details so we can fairly asses the plans.

Kind regards,

Susan
