Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The below comment is posted on behalf of Shoreham by Cycle: Shoreham by Cycle is neutral on the overall development but comments only that the requirement by the Highways Officer for covered bike storage is absolutely key and we support that. At present, the Galleria restaurant, and vehicles associated with the establishment, seem to be associated with the problem of pavement parking and other forms of illegal and inconsiderate parking. We hope this planning application provides an opportunity for the venue and its management to have a more positive effect on public space in the centre of Shoreham.

Kind regards
