Comments: Please can you let me know why the architects involved in this application seem to of totally disregarded Adur Development Control Standard No. 3. In particular I would draw attention to Sections 1.11.(a), 2.2.(1), and 3.22 If this had been the case of a two bedroom bungalow being enlarged to three bedrooms for family size reasons I might be more sympathetic, but it is now going to be a large three bedroom house with a large two story garage, instead of a large three bedroom bungalow
