Subject: Southview Road, Southwick OBJECTION to AWDM/1019/25

To: <planning@adur-worthing.gov.uk>

Cc:

Dear Planning,

I am concerned to read of the proposed development of the lovely bit of green near Southview Road.

It wasn't long ago that my 2yr old couldn't go near a puddle by Southwick Square park for fear of raw sewage. Took months to sort that out. It can't be unrelated, underground streams (Ladywell) all over that area.

Building on it? Bonkers!!!

I'm all for dig for Britain (on brownfield)/ affordable housing but building on an area which is going to balls up ground water levels is crackers. Very short sighted.

Must. Not. Happen. Please!
