Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	We have no objection to this development at all; but would ask that a planning condition be imposed to require that the the glazing at the east end of the new rear balcony should be full height and opaque, to prevent direct overlooking of our property. (Our own rear balcony was subject to a similar condition at the west end, for the same reason.) We are entirely happy with everything else.

Kind regards
