Dear Sir,

Re: Planning Application ADC/0231/10

I support this application. I feel this house will not be out of place. I think the height is acceptable, and is lower than other new developments that have been built on Old Fort Road. I am also pleased to see that the house hasn't come too far forward.

I am delighted to see another new build on the Old Fort Road. I will be very surprised if this application does not get approved.

Yours sincerely,
