c/o
Planning Dept,

Ref, AWDM./0592/23.
Date 14/06/23.

Dear Sir,

Re your letter 22/05/23., for Installation of replacement windows from painted timber to U.P.V.C.

My objections are.

1. It will look out of place.

2. This road, beforelong, will end up looking like a Council Estate.

3. This area is also a Conservation area.

4. The painted timbers on Flat 1 37 Winchester Road. Can be made to look like an insulated item, it requires more thought, and the thought of a Conservation area has not even being considered by the flat owner, more of "what I want" is what I'll get", [redacted] you jack I'm alright seems to be par for the course around this area, typical of the Council to even consider permission to install plastic.

Yours.

[redacted]
