Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	I feel very passionately opposed to the felling of this tree, it is a beautiful well established tree that was part of my decision when purchasing the property. On what is a rather busy road I think we should be looking to plant more trees not cut them down, this particular tree offers privacy in my bedroom and is the best part of my view when I wake up each morning, to lose it would be immensely upsetting. It is also seasonally home to birds which I enjoy watching nesting

in the spring.
Please strongly consider the rejection of this application.

Kind regards
