WORTHING SOCIETY CONSULTATION RESPONSE
AWDM/1014/23 - 8 THORN ROAD WORTHING WEST SUSSEX BN11 3ND
Planning Application - Proposed second floor rear outrigger extension

Thank you for requesting our comments regarding the above mentioned application. The property is within the Marine Parade and Hinterland Conservation Area (CA).

I have now discussed the application with our Heritage Team. We have noted the new outrigger will be the same height and footprint as the adjoining property to the north. The roofline and dormer window, which is a feature of the adjoining terrace, will be maintained. In summary, we consider the addition of the outrigger will not have a detrimental effect on the conservation area.

Therefore, I am pleased to advise you that we have no objection to this application.

Yours sincerely,
