Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Privacy Light and Noise
Comments:	I object to the new proposal for the times and days being submitted, 8am-10pm seven a week is not acceptable This because I am looking after two very frail parents ,one of whom has had TWO heart attacks; this noise late at night; would worry my parents, especially my mother, my property is next to the building ;

I generally hear noise during the day: and my mother sleeps downstairs , I sleep upstairs in the back room which will disturb my sleep pattern as I go to bed pretty early.
