GARY PECK (PLANNING manager)

I am MRS. ETHEL STANTON OF ABOVE ADDRESS, I object to the proposals for 71 HILLRISE AVE. The property already has 5 bedrooms, if any more it will be to big for the area. There is not enough parking in road now, the noise and disturbance will be terrible I live at the back of property. The alley way at rear runs along my back garden. Not enough room for lorries etc to deliver. The top rooms overlook my property now. If it is going to be made into more bedrooms and young people living there the noise has nee intorable now. I think you

should visit the property before you accept planning permission for it.

Thankyou
