Subject: Planning Application AWDM/0765/21 3278230

I am emailing to reject the above planning application.
This is my 3rd objection sent re the above.
This block of flats runs alongside my bungalow and as it stands at present I have no privacy from the 3rd
floor to the front, side and back garden of my property. To have an extra 2 floors added would give me no
privacy at all in my back garden. I would also lose a lot of natural light.
Added noise from the garages which are adjacent to my bungalow would make the noise and fumes worse
than it already is.
The building would be completely out of character with the surrounding area. It is also a flight path.
I strongly object to this proposed application.
Hannah Barker did come out to my bungalow when the first application was put forward and i think she
could appreciate my lack of privacy etc.
