Comments:	This replacement is essential to enable smoke dispersion from the communal corridors.. It is a cost effective communal solution. Rejection of this application could have serious implications for flats 2,3,4,5,6,11,12,14,15,16,21,22,23,24,25 and I encourage all leaseholders in East Lodge to read and understand the letter from the directors of the freehold company to all leaseholders dated 27th June 2018 for further explanation.
