Dear Sir,

Reference ADC/0170/09
Extended Rear Decking, 11 Fire Road.

Thank you for your letter dated 11 June 2009.

I have seen the amended plans for the above proposal. I am pleased to see that there is now no proposal to increase the width of the balcony. However, the proposal to increase the length is the same & will still result in an unacceptable degree of overlooking of my garden & kitchen, having an adverse effect.

Your planning brief is very clear on privacy & states that there should not be direct overlooking of rooms in neighbouring

properties or excessive amounts of overlooking of garden areas.

In my previous correspondence I omitted to mention that the existing balcony also already overlooks the bay area of my lounge. For this reason I always keep the blinds to the west window closed.

If applicable I would still like to speak on the application at the committee meeting. I will be on holiday from 8 to 18 July, inclusive.

Yours Faithfully
