Roller shutter on part of shop front (retrospective)

Dear Sirs,

As a local business, we would like to show our support for the Olive Tree in their Planning Application for a roller shutter to part of their shop front.

The Olive Tree has a pleasant shop front and makes a valuable contribution to the trade and life of East Street.

Adequate security is most important to any retail outlet and the roller shutter does not detract from the character of the area when it is lowered.

We would ask the council to support Local businesses during these times and permit the roller shutter.

Yours sincerely,

Name: Paula Waugh
