Dear Mr Little,

RE: Proposed amendments to Planning permission ADC/0273/09, 35 Downland Avenue, Southwick.

In reply to your email dated 10 November 2009.

I can confirm that the alterations proposed are acceptable as a minor amendment to the original planning permission ADC/0273/09, and that a fresh application will **not** be required in this case.

The amendments hereby approved are:-

- Reduction in width of the proposals to allow a gap of 0.3m to the boundary of the attached dwelling.
- Loss of brick pillars between the side windows and patio doors in the north elevation.
- Insertion of fan lights in the north side windows.

Should you have any further questions please feel free to contact me directly.

Yours sincerely,

Carlos Hone
