Comments:	I am disabled and cross at this busy junction regularly. I find it can be very dangerous. I have personally witnessed two car crashes in this vicinity in the last year. Terry Goble states in his supporting letter for Child First changing this family home into an institution that "West Sussex have encouraged us to expand our services' West Sussex County Council state 'no recorded accidents in the vicinity of this site in the last five years' I am concerned that it is in the council's interest to pass this application.

Kind regards
