Dear Sir,

Ref number AWDM/0581/16
For the attention of Mr. Peter Barnett

Thank you for your letter.

We are the owner occupiers of 15 Cokeham Road Sompting Lancing BN15 0AA having lived here for 34 years moved in May 1982.

We do not agree at all with the proposed conversions at 17 Cokeham Road Sompting, Lancing BN15 0AA especially the first floor extension granny annexe this would affect our privacy and light as our kitchen and bathroom windows would face into it and would darken the rooms and we dont want to look out to a very large wall and building near to our fence and property.

With a side entrance to granny annexe this would also affect our privacy so near to our property with an entrance door at side of annexe this could also cause disturbance and noise so very near to our property also our bedroom adjoins our garage

Can you please give this your attention

Thanking you

Yours faithfully
