Thank you for amended plans.

Highway safety,traffic and parking:-
The existing single dwelling has parking for 8 vehicles,which includes a double garage.
The proposed two dwellings has parking for 3 vehicles to each dwelling,this I assume will increase highway parking.
This section of Harbour Way is already very dangerous for vehicles,and has a bus stop as well.
I think you should get the The Highway Dept.at West Sussex involved before you grant planning approval.
Possible double yellow lines to each side of the road,would sort out the highway safety issue ?

Appearance of proposed two dwellings:-
Black cladding is shown on the amended plans,there is no black cladding in this area of the Beach,could you get the developers to lighten up?

Rear balconies,& Trees:-
Great news,balconies omitted,& mature tress shown on amended plans.

Kind regards
Peter Bohannon
