Reasons for comment:

Comments: I am in support of this , it is a much needed facility for the young people of Adur , I am an adjoining neighbour , I hope that the neighbours in Orchard Close will be considered in the design sympathetically. I will be really pleased to see the tennis courts being used again ,
With regards to the disused cricket court , this has always been a stupid location for it as every summer we used to get cricket balls over in our garden , I would hope it becomes a more used facility , I have no problem with tennis balls or football balls coming over - such is life
I look forward to seeing the regeneration of this much disused area ,
