Comments Details

Commenter Type:	Neighbour

Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	As our bedroom windows and balcony directly overlook this proposed site we are very concerned about additional noise being created outside the premises when people are congregating to drink alcohol and smoke, especially late at night. We already have regular anti social behaviour like foul and abusive language and littering of cans and bottles of alcohol from local shops and pubs. We are also concerned about parking in the cul de sac and immediate locality which is already choked with parked cars from station users and local school

Kind regards
