PLANNING SERVICES

Dear Mr. Barker,
ref AWDM/0111/18
PP-06697842.

After speaking to my neighbor
Mr Patrick Ginnelly at No 22
St Richards Road I am now
more confident that his building
proposals will have limited impact
on me. He has agreed that when
his builder starts work he will
liase with me on a regular basis
Regarding the shared pitched roof
my neighbor himself is not sure
how this will be resolved but ensures
me that he and the builder will
consult with me to ensure that
there is no adverse effect on

my property.
The soil pipe relocation will not affect me as it does not connect to any drainage within my boundary.

Yours sincerely.
