| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | - Overdevelopment |
| Comments: | I object to this proposal.<br><br>After viewing the site plan, it is clear to see that the proposed outdoor kitchen extends past the property's boundaries, which are set out in the deeds.<br><br>I live at number 2 Buckingham Mews and have a lean-to wooden shed fixed to the side of my house, for my wood storge. This lean-to has been there for the past 22 years. |

The proposed outdoor kitchen exceeds the boundaries of the deeds, which is clearly outlined in the site plan. the proposed development will clash with the existing lean-to that is fixed to the side of my house.
