Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Dear Sir/Madam. I would just like to say that I support the development of this property. I think that in this day and age it is good practice to improve a property rather than move, especially because of the housing crisis we seem to have. A lot of bungalows are in this area are quite old and need updating and I feel that by improving and upgrading the structure can only prolong the life of the property, and bring it more up-to-date. There is currently a similar extension on another corner of

Cokeham Lane and Silverdale drive which I also do not object to.

I would however agree that the rear dormer windows should have frosted glass to ensure the privacy of the neighbors behind .

Kind regards

Kind regards
