MAY 2015

Dear Sirs

28A Brighton Rd Lancing W Sussex BN15 8RA

Application to vary conditions 3 & 4 of AWDM/1515/12

We wish to object to this proposal to extend the hours of opening for the reason of noise pollution on the Beach & Lawns and probable Anti Social Behaviour.

(As of ASDA after 7pm) We have No Police in our area!

Given our concerns and the likelihood of controversy we believe this planning application warrants determination by planning committee rather then a decision by council officers

Yours Faithfully
