Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	Regarding the Oak - T1 - the works to cut back the lower branches appear unclear (is this to the boundary or a lesser amount?) also the amount of crown lift presumably refers to the single storey portion of the Toby and not the main building. This amount appears excessive, especially when compared to the 2m noted in the main application description. We believe that there should be more clarity before a decision is made.
