Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	The reason for the objection to the proposed planning changes to 73 Hillside Avenue, is that it will cause a considerable reduction of light to the west side of our property, namely 71 Hillside Avenue. We would also like to place on record that we did NOT receive the letter informing us of the planning application for 73 Hillside Avenue until the 2nd September 2023, which limits the time we have to object.

Kind regards
