Dear Sir

Re: 45 Valley Road, Sompting, Lancing, West Sussex

Further to your letter of the 5th February 2020 I would again reiterate the fact that we are overlooked with loss of privacy and light and we feel that all of this will affect the value of our property. This extension has been ongoing since planning was approved in January 2016. In fact we have had to endure building work since 2010 when a ground floor extension was being done.

[redacted] this whole business is causing us a great deal of distress and has a severe effect on him.

Yours faithfully [redacted]

Mrs .S. Walder
