Subject: AWDM/0390/25 17 Nutley Drive Worthing

Good Morning Mr Barr

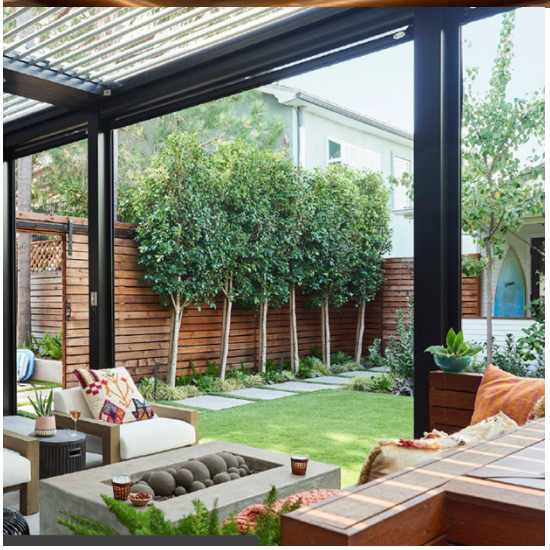

I refer to your representation in connection with the above planning application. Measuring from the plan, the proposed pergola would be 4 metres deep, extending 2 metres beyond your own conservatory.

The pergola would project 748mm above the boundary fence, please see below:

The Applicant's Agent has provided the illustrative details below of the style of the pergola proposed.

I hope this is of assistance.

Regards

Jo Morin
