Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Overdevelopment - Privacy Light and Noise
Comments:	Hello, I have seen the plans for developing this property and totally object to the proposed build. Firstly the design. The height of the property. It is very high and will severely reduce the natural light, which we currently enjoy, through out kitchen window which faces the property and to our back garden where we grow vegetables and fruit. Also we will be overlooked, whereas we are not overlooked by the current build. It is also not in keep with the

bungalow theme on both sides of it to which 'The Beach' has been known for for decades. Too many bungalows in Shoreham by Sea are being ruined by development.

Secondly, the noise and disruption it will cause to me and my wife. [redacted]

Thank you for your consideration of my objection to the proposed build at number 20 East Meadway.

Signed

Mr Kendal Charles Saunders
