Dear Carlos,

We live at 127 Old Fort Road, opposite Howard and Sarah and have viewed the plans for their front garden. We fully support all the improvements they have proposed, including the greenhouse and tree protectors and feel these would be an enhancement to their house and the neighbourhood.

They have taken great efforts to involve all the neighbours with every part of their planned improvements, so we would be disappointed if permission for these were not granted.

Please feel free to contact us on if you require any further confirmation.

Yours Sincerely

David and Kim Williams
