Dear Ms Barker

RE: 297 Upper Shoreham Road, SHOREHAM-BY-SEA

Following on from our meeting on the 25 September 2009 at the above site and your subsequent email of the 26 September 2009, we write in reply.

Thank you for your early consideration of the above application.

After reading Mr Petal's letter of objection our client instructed us to re visit the scheme to ascertain whether it will be possible to accommodate Ryan's needs and requirements without the need of the proposed eastern addition.

We have since gained their approval for a revised scheme which we would like to put forward for your consideration.

As you will see we have omitted the rear eastern extension and integrated the accommodation within the existing building envelope. We trust this amendment will meet with your agreement and enable your recommendation for approval.

I assume as we have now omitted the originally proposed eastern additional this application would be dealt with under delegated powers. If this is not the case would you please advise me.

Please find enclosed two copies of our revised drawings AL102a & AL103a, revised to omit the eastern addition.

Should you require any further clarification or additional information please do not hesitate in contacting me.

Yours sincerely, [redacted] Danny Barker
