Mr M Minodier
3 bridge close
Lancing

Reference:AWDM/1358/21

To Marie O'Keeffe

I wish to register my opposition to the planning application in it present form
after completion,I will end up with a 5m high wall,1.1m away from my kitchen door
blocking all the light,right now I get 50% of the light getting into my kitchen through
the door in question(when I bought the proterty I replaced the kitchen door with a glazed one)
Having walked in the extended neighbourhood,I have not come across a bangalow which
has been extended to with in 1m of the next property.
I would like to point out that I am not against the extention to the ground floor only to
the extention of the roof area,looking at the plans I don't see a valid reason for that

Regards

M MINODIER
