Comments Details

Comments:	A Remediation Strategy and Verification Plan (Ref:V0969, Dated:14/05.2024) was submitted in support of planning application AWDM/0634/24. I am satisfied with the intended strategy outlined within the report and the proposed verification methods. All works should be carried out in accordance with those outlined in Section 11 of the report. I am unable to recommend discharge of the relevant condition until completion of the works and the submission of a verification report. The reports submitted with this application and any further reports should be forwarded to the Environment Agency for comment.

Kind regards
