Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Absolutely no reason for such a severe cut back. These are healthy mature trees which have withstood all the storms and high winds with no Ill effect. They provide a lot of shade in the summer from the direct sunlight. It will have a massive impact on the birds and wildlife. The impact on this area will be massive for years to come. There has been no communication to the immediate neighbours with regards to this case.

Kind regards
