Dear Mr and Mrs Burton

Proposed fence and bollard

11 Roman Walk, Sompting

Thank you for your letter dated 31 July 2010 regarding the above.

I wish to advise you that planning permission is required for the fence and bollard as there is a restrictive planning condition in place which prevents any fences or other means of enclosure from being erected at the front of the houses in Roman Walk.

As the fence is to be no more than 1m high and would usually be considered as 'permitted development', there is no fee for the application. Planning forms are available to download from the Council's website, or you can submit the application on-line.

Please contact me if you would like to discuss the matter further.

Yours sincerely
