Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise
Comments:	The back garden and rear of my property will be directly overlooked by the proposed feature window (drawing No 4113/1/7) leading to loss of privacy. The proposed window is in my opinion far too large. The design of the window is also not in keeping with the design of properties in the area.
