Comments Details

Commenter Type: Member of the Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment: - Privacy Light and Noise

Comments: I have no objection to make provided always that the height of the extension is no greater than that of the boundary fence (or the existing extension). I was unable to be certain from the drawings whether this is the case or not. If the extension is higher than that then I would not be satisfied with it as that would be a clear change of aspect.
