LOCATION PLAN	C1216-5	06.03.2026
PROPOSED PLAN AND ELEVATIONS	C1216-3A	05.05.2026
PROPOSED BLOCK PLAN	C1216-4	18.04.2026

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

03. Unless otherwise approved in writing by the Local Planning Authority the external materials and finishes of the development hereby permitted shall consist of those stipulated on the approved drawing C1216-3A.

Reason: *In the interests of visual amenity and to comply with policy DM5 of the Worthing Local Plan.*

04. Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 2015 as amended (or any Order revoking and re-enacting that Order with or without modification), no windows or other openings shall be formed in the South or East elevations of the cabin/outbuilding.

Reason: *To prevent overlooking and to comply with policy DM5 of the Worthing Local Plan.*

Reason: *In the interests of residential amenity having regard to policy DM5 of the Worthing Local Plan.*

06. Notwithstanding the details shown on the approved site plan C1216-4, if during the course of the development works any existing trees are required to be felled to accommodate the proposed cabin/outbuilding, details of replacement trees at a minimum ratio of 1:1 (including their planting size, species and siting) shall be submitted to and approved in writing by the Local Planning Authority. Thereafter, the approved replacement trees shall be planted within the first planting season following first use of the building or the completion, whichever is the sooner, and any trees which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

Reason: *To safeguard the existing verdant character of the area in accordance with policies DM5 and DM19 of the Worthing Local Plan.*

Informatives / Notes to Applicant

01. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
02. The Applicants attention is drawn to the provisions of both the Wildlife and Countryside Act 1981 and the Countryside and Rights of Way Act 2000. Under the 2000 Act, it is an offence both to intentionally or recklessly destroy a bat roost, regardless of whether the bat is in roost at the time of inspection. All trees should therefore be thoroughly checked for the existence of bat roosts prior to any works taking place. If in doubt, the applicant is advised to contact the Bat Conservation Trust at 15 Cloisters House, 8 Battersea Park Road, London, SW8 4BG or Email enquiries@bats.org.uk or phone the Bat Helpline 0345 1300 228.

03. Surface Water Drainage Advice

The Applicant should follow the drainage hierarchy of preference. Due to the size and location of the development, an infiltration test should be carried out in accordance with the Part H2, paragraph 1.34 to 1.37 of the Building Regulations (https://assets.publishing.service.gov.uk/media/5a80cf9ded915d74e33fc8ae/BR_PDF_AD_H_2015.pdf). This rate should then be put into the calculation in Part H3, paragraph 3.28. Following this the applicant can use the free tools at <https://www.uksuds.com/> to size the soakaway for the 1 in 100 (1%) plus CC event.

If infiltration fails, the same links should be used to size attenuation storage to ensure surface water runoff does not increase from the existing discharge rate.

To obtain the relevant rainfall data the applicant can visit <https://fehweb.ceh.ac.uk/> to download the point data for their site and input the csv file into the tools above.

**TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (AMENDMENT)
(ENGLAND) ORDER 2015**

YOUR ATTENTION IS DIRECTED TO THE FOLLOWING NOTES FROM THE ABOVE ORDER. THEY ARE FOR INFORMATION ONLY AND DO NOT PRETEND TO SET OUT THE WHOLE OF THE LAW ON THE SUBJECT. IT WOULD BE WELL FOR YOU TO CONSULT YOUR SOLICITOR IF YOU ARE IN ANY DOUBT

Appeals to the Secretary of State

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
2. If the decision relates to a householder application, and you want to appeal, then you must do so within 12 weeks of the date of this notice. If the decision relates to a non-householder application, an appeal must be lodged within 6 months of the date of the decision notice. Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-householder-planning-decision>
3. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
4. The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements to the provisions of any development order and to any directions given under a development order.
5. In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

6. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Planning Act 1990.
7. Where this notice conveys approval or permission, conditional or unconditional, please note that the decision given does not purport to convey any consent or approval which may be required under the Building Act and Building Regulations, or any other legislation.

Reduced time for making a planning appeal where enforcement action is being taken

Where an enforcement notice has been served on the same, or substantially the same, development as in the householder application within 2 years of the date the application was made, the period for receiving an appeal is within 28 days of the date on the decision notice or of the date by which the LPA should have decided the application. Where an enforcement notice was served after the decision notice was issued or after the end of the period the LPA had to determine the application, the period for receiving an appeal is within 28 days of the date the enforcement notice was served (unless this extends the normal 12 weeks deadline).
