Dear Sir/ Madan

In support of the application submitted by Mr & Mrs Johns , we agree that the tree has unfortunately outgrown its position. The tree is over 30 years old and has massive roots that are very evident all over the front of number 8 . It also appears we have roots embedding under our driveway and probably the sewerage drains too.
We believe that removing this large silver birch situated very close to both properties will also offer peace of mind especially during the winter storms .

Yours Faithfully

Mr & Mrs Lane
9 Spinnals Grove
