Hi Eve

I can confirm the photovoltaic panels on the roof are still part of the scheme as approved within AWDM/0040/19. The panels are only visible on the eastern elevation which is why they are not visible on the submitted drawing.

Are you still on track to issue the decision for the Variation of Condition 8 this week?

Thank you.

Hi Hannah

With regard to the above application, I have noted that the elevations on your new scheme do not show the photovoltaic panels on the roof.

I am assuming that the panels were hidden from view because of the raised parapet sides, but I am not sure. Therefore, please could you confirm that they are still to be used for the building in accordance with the planning approval AWDM/0040/19.

Kind regards

Eve
