Dear Keith,

Brise Soleil – Ropetackle – ADC/0210/09

Further to your e-mail correspondence with Neil Methven in November 2010, we are writing to request formally your agreement to the minor revisions to the proposed Brise Soleil at our scheme at Ropetackle.

As explained by Neil our technical department are looking to keep the proposed Brise Soleil above the Ground & Second windows as per the approved drawings (approx 1.4m projection) and remove completely the Brise Soleil above the First Floor windows.

You highlighted in November that you considered this amendment would be ok. In order to ensure that our paperwork is accurate prior to completion, please can you formally confirm that this amendment is acceptable.

Yours sincerely
