Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other - Trees and Landscaping
Comments:	I support the application as being former user of the land, have seen the vast improvements that the applicant has made. Access road levelled and resurfaced, planting of numerous hedgerows, care of the land. Drainage improved including cleaning out of waterways long since neglected by previous owners and authorities. Also addition of numerous bird boxes and other such things.

Kind regards
