Of course, I will get that amended and over to you hopefully today.

I knew I had forgotten to mention something but yes I can confirm that none of the signs are illuminated

Kind Regards
Kim

This is much clearer thank you.

Could I have a replacement block plan scale 1:500 showing the location of the signs and flag with a key identifying which signs are which?

Also could you confirm that none of the proposed signs are illuminated?

Thanks
Hannah

Dear Hannah,

Please find attached a pdf which shows exactly the level of advertising which is being sought and with the text which will be used.

As you can see we are proposing just one flag pole. I apologise for the confusion and the constant change in what was being proposed but hope you can confirm you agreement to the attached.
Just for clarification:
Item a) will be attached to the sales unit on the appropriate side and item c) is the frosting to be placed over the entrance doors

I hope the rest is self explanatory, however, should you have any queries please do not hesitate to contact me.

I very much look forward to hearing from you.

Kind Regards
Kim
