Reasons for comment:

Comments: I object to this land being built upon. I live in underdown road and have spent a considerable amount of money treating my house for damp given its location however the development of this land will plummet the value of my property, cause considerable and continuous flooding from thereafter and will create unsanitary conditions for my two children.

Additionally I object to demolishing the two properties that stand which are solid, beautiful buildings in keeping and a part of Southwick history.

Kind regards
